Re : **Notice of Revised Immigration Entry Application Form – Non Scheduled Flights and Vessels**

As discussed, effective Monday, October 15, 2023, the new Entry Application Form for all Non-Scheduled Aircrafts and Vessels will replace the old form. After receiving comments back in July we were able to make some changes to the form. I would like to thank everyone for their inputs and comments.

Please disseminate this form to all the agents, agencies and persons, etc and put this on your bulletin and public notice areas effective today. This Notice and the form will be posted on our customs website as well.

As always, your cooperation and understanding is greatly appreciated.
